

GU Tumor Board

GU Tumor Board - 1/16/2025

Other

January 16, 2025 – 12:30 PM

Learning Objectives

Upon completion of this session, learners should be able to:

- 1 Apply the latest research and treatment strategies specific to genitourinary tumors presented at the GU Tumor Board to enhance evidence-based clinical practice.
- 2 Develop tailored treatment plans for genitourinary malignancies that address patient adherence issues to optimize treatment outcomes.
- 3 Identify best practices and insights from expert presentations and case discussions at the GU Tumor Board to improve the management of genitourinary tumors.
- 4 Use effective communication strategies specific to genitourinary tumor management to ensure patients understand and follow medical recommendations, thereby enhancing adherence and overall healthcare outcomes.

Target Audience

Specialties – Urology

Professions – Physician, Advanced Practice Nurse, Fellow/Resident, Nurse Assistant, Nurse, Physician Assistant, Scientist / Researcher

Accreditation

The University of California San Diego School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of California San Diego School of Medicine designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physician Assistants: AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit*™ from organizations accredited by ACCME or a recognized state medical society.

Nurses: For the purpose of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credits*™ issued by organizations accredited by the ACCME. For relicensure, the California Board of Registered Nursing accepts *AMA PRA Category 1 Credits*™.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME requirement of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 1.00 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
