- 2 Evaluate the effectiveness of various treatment options for hematologic malignancies, considering the latest evidence-based research and clinical guidelines.
- 3 Analyze the latest advances in pathologic diagnosis, prognosis, and treatment of hematologic malignancies to develop effective treatment plans and improve patient outcomes.

### Target Audience

Specialties – Blood And Marrow Transplantation, Hematology, Oncology, Radiology

Professions – Physician, Advanced Practice Nurse, Clinical Lab Technician, Genetic Counselor, Laboratory, Medical Student, Nurse Assistant, Nurse, Pharmacist, Pharmacy Technician, Physician Assistant, Scientist / Researcher

### Accreditation

The University of California San Diego School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of California San Diego School of Medicine designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physician Assistants: AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit*<sup>™</sup> from organizations accredited by ACCME or a recognized state medical society.

Nurses: For the purpose of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credits*<sup>™</sup> issued by organizations accredited by the ACCME. For relicensure, the California Board of Registered Nursing accepts *AMA PRA Category 1 Credits*<sup>™</sup>.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME requirement of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 1.00 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
