

Pathology Research Lecture Series

Pathology Faculty Recruitment Seminar - 9/30/2025
School of Medicine - Main Campus
September 30, 2025 – 8:00 AM

Learning Objectives

Upon completion of this session, learners should be able to:

- 1 Discuss recent research and potential advancements in the field of pathology to optimize evidence-based practice and improve patient outcomes.
- 2 Describe the molecular basis of diseases and newly identified types or subtypes of tumors to enhance diagnostic accuracy and treatment planning.
- 3 Recognize the impact of equity, diversity, and inclusion issues on patient care and physician practice, and develop strategies to address these factors in clinical settings.
- 4 Recognize the impact of equity, diversity, and inclusion issues on patient care and physician practice, and develop strategies to address these factors in clinical settings.

Target Audience

Specialties – Internal Medicine

Professions – Physician, Fellow/Resident, Laboratory, Medical Student, Scientist / Researcher, Educators

Accreditation

The University of California San Diego School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of California San Diego School of Medicine designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physician Assistants: AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit*[™] from organizations accredited by ACCME or a recognized state medical society.

Nurses: For the purpose of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credits*[™] issued by organizations accredited by the ACCME. For relicensure, the California Board of Registered Nursing accepts *AMA PRA Category 1 Credits*[™].

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME requirement of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.
