

Geriatrics, Gerontology, and Palliative Care Grand Rounds

Geriatrics, Gerontology, and Palliative Care Grand Rounds - 7/7/2026

School of Medicine - Main Campus

July 7, 2026 – 12:00 PM

Learning Objectives

Upon completion of this session, learners should be able to:

- 1 Employ geriatric medicine, gerontology, and palliative care principles for maximizing patient health and enhancing patient care.
- 2 Discuss current assessments, management techniques and treatment recommendations available for different geriatric conditions and for those with serious illness at any stage of disease.
- 3 Identify patient-centered and system-wide strategies designed to improve quality of care and reduce iatrogenic events.
- 4 Distinguish differences in care guidelines for older vs younger patients.
- 5 Recognize the role of social determinants of health and how they can impact care and decision-making.
