

## RCHSD Integrated Health Topic Education Series

RCHSD Integrated Health Topic Education Series - 9/12/2024  
Rady Children's Hospital  
September 12, 2024 – 12:00 PM

### Learning Objectives

*Upon completion of this session, learners should be able to:*

- 1 Have a specific path to identify, assess and treat patients with mental health and behavioral health diagnoses.
- 2 Have tools to focus on and implement the integration of innovative, early identification procedure for mental health and behavioral health diagnoses in the pediatric community. The tools will also help assess the behavioral health diagnoses, the severity of the condition and assist in the PCP's ability to effectively treat the pediatric patient with a mild or moderate condition, or refer for severe condition.
- 3 Have information on emerging models in primary care to address the mental and behavioral health needs of patients, including integrating mental and behavioral health with primary care.
