

Disclosure of Conflict of Interests

The California Society of Health-System Pharmacists (CSHP) adheres to the Standards for Integrity and Independence in Accredited Continuing Education set forth by the Accreditation Council for Pharmacy Education (ACPE). All Continuing Pharmacy Education (CPE) programs offered by CSHP are committed to providing in-depth presentations with fair and full disclosure, ensuring equitable balance. Our programs distinguish appropriate topics and learning activities from those that may be promotional or appear intended to endorse specific commercial products or services.

Unless otherwise noted, the faculty, planners and staff have nothing to disclose.

Discussion of Unlabeled Use

Faculty must disclose to participants, preferably in writing through course materials, that a product is off-label for use and/or will be discussing unlabeled/unapproved drugs or devices.
